

Convergent Boundary (destructive)

Oceanic- Oceanic

Annotated Diagram explaining the processes and features found on a oceanic to oceanic boundary:

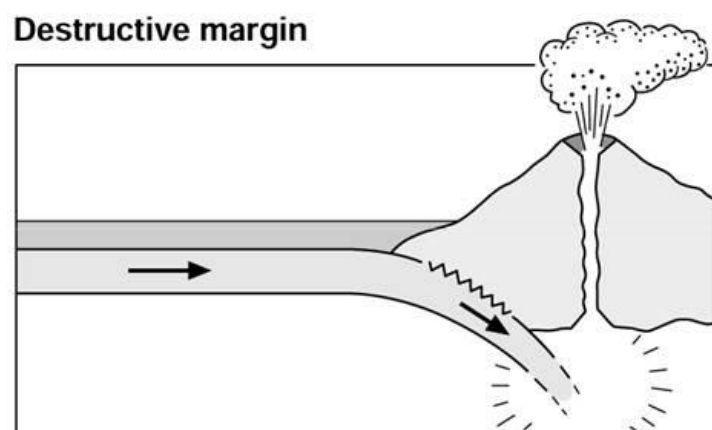

Processes and Volcano Type:

Associated Hazards:

Convergent Boundary (destructive)

Oceanic to Continental

Annotated Diagram explaining the processes and features found on an oceanic to continental plate boundary

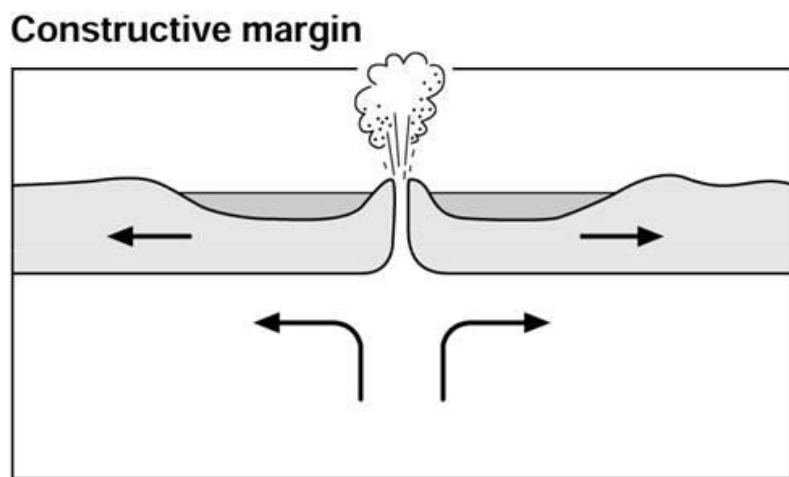

Processes and Volcano Type:

Associated Hazards:

Divergent Boundary (constructive)

Annotated Diagram explaining the processes and features found on a constructive boundary:

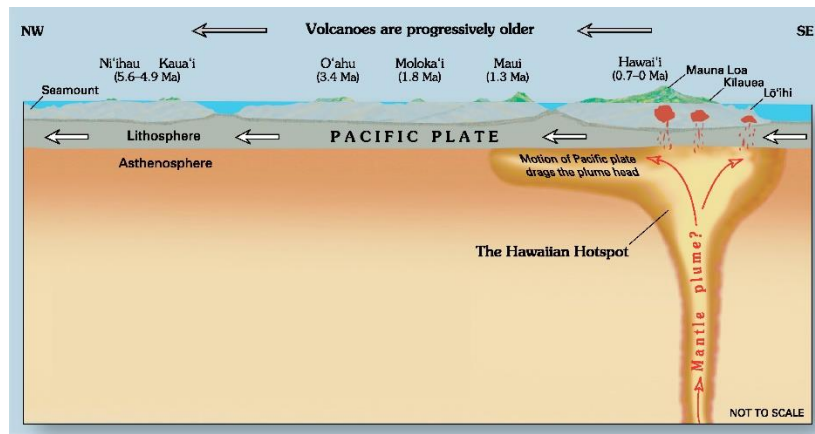

Processes and Volcano Type:

Associated Hazards:

Hotspots

Annotated Diagram explaining the processes and features found on hotspots

Processes and Volcano Type:

Associated Hazards:
